VMEdU Authorized Training Partner

Who is VMEdU Inc ?

EDDS Consulting is one of VMEdU's Authorized Training Partner. VMEdU is a leader in the professional training and certification industry and has facilitated the training of 500,000+ students from 3500+ corporations across 150+ countries with a success rate of 98.7% through its global network of 1100+ training providers.

VMEdU uses its state-of-the-art content creation expertise to create the best-quality online and classroom courses. This quality is provided to students worldwide through its global network of 1100+ training partners. Our courses come with an assurance of consistent, high-quality content presented in multiple formats—such as videos, podcasts, simulated tests, and mobile apps that ensure a well-rounded and practical learning experience for students.

Course Overview

55+ High Quality Videos

High quality, interactive, and engaging online videos teach each chapter and knowledge area. All course videos are

prepared and presented by industry experts.

2+ Helpful Study Guides

Study guides for each chapter cover key concepts in all knowledge areas. These are also available in downloadable formats that can be accessed whenever needed.

52+ Test Questions

Practice tests for each chapter help students gauge their preparedness. You even have the flexibility to select the number of chapter test questions you want to attempt.

75+ Terms and Definitions

Important terms and concepts for all chapters and knowledge areas are included. You can also use these terms as a collection of flashcards for practice and review.

10+ PMI Approved PDUs

PMI approved PDUs for continuing certification requirements as set by PMI ensure that the certified professional's competencies are up to date and relevant.

2+ Illustrative Case Studies

Interesting and illustrative case studies present real-life scenarios ensuring effective learning. These case studies are fun to solve and provide great insights at the same time.

2+ Reference Material

Reference materials to help you with the learning

Mobile App

Access courses in all formats anytime, anywhere through our innovative mobile app and enjoy the same learning experience that you get online.

Progress Tracking

Track your progress in any course and chapter online or on

mobile app and continue from where you left off.

Certification Exam

The certification exam is included in the course. The exam is online and non-proctored. Candidates have one hour to complete the exam. Answer 30 out of 40 questions correctly and get recognized as Certified Marketing Strategy Fundamentals.
